**The Silver Jubilee Kannada Gold Medal.**

This Medal founded by Mr. B. M. Srikantia, M.A., B.L., Professor of English, Central College, Bangalore, will be awarded at the University Convocation of 1937 for the best Kannada Poem written by any under-graduate or post-graduate student from any of the Colleges in the University of Mysore.

2. The poem should be written in a pure Kannada Metre (and not in the Sanskrit *Vritta* or Kanda *Metre*), and in an easily intelligible modern Kannada style. It may deal with any subject, ancient or modern, Indian or foreign, provided the spirit and the treatment are modern. It may be a piece of original composition or a translation of an English or a Greek Classic or an adaptation of such, and should not exceed 300 lines in length.

3. The poem should have a motto instead of the writer's name and should be accompanied by a sealed cover containing the name of the competitor, his Post Office address and a declaration to the effect that the poem is his own *bona fide* composition.

**SUBJECT:—Regarding the Discontinuance of Advance or Additional Supplies of Stationery Articles or Forms and Registers during the Current Official year 1936-37.**

To

---

The undersigned desires to invite the attention of all the officers indenting for supplies of stationery articles and forms and registers from the Government Stationery Depot to paras (1) and (2) of Government Order No. G. 9098-148—P. & S. 12-35-6, dated 6th May 1936, an extract of which is appended for facility of reference, stating that in view of the relaxation of the Economy order raising the supply of essential stationery and forms to 75 per cent of the full quantities from the year 1935-36 there will be no need hereafter to sanction advance or additional supplies except in very exceptional cases. In the circumstances, all indenting officers are requested to regulate their consumption of stationery articles and forms and registers during the year and to avoid sending requisitions to the Stationery Depot for advances and additional supplies as it will not be possible for this office to comply with them in contravention of the directions contained in the Government Order referred to.

B. SRINIVASA IYENGAR,
*Superintendent.*

*Extract of Order No. G.* 9098-148—*P. & S.* 12-35-6, *dated Bangalore, the* 6*th May* 1936.

Government are pleased to approve of the recommendation of the Superintendent of Stationery that the supply of essential articles of stationery, forms and registers be continued during 1936-37 at 75 per cent of the full quantities fixed in the standing list.

In view of the considerations urged by the Superintendent of Stationery for making an increased provision in the Budget under "Cost of Printing Paper and Stationery" for 1936-37, a sum of Rs. 1,50,000 has been provided in the Budget which is equal to the revised for the current year. Government are of opinion that the need for economy still continues. They expect that the relaxation of the Economy order which raises the supply of essential forms and stationery to 75 per cent of the quantities and which comes into full effect during the next official year will satisfy the normal requirements of all offices and that hereafter there will be no need to sanction advance or additional supplies except in very exceptional cases.

(1) The centre originally chosen by the candidate.
(2) The centre to which his name should be transferred.
(3) Whether the change of centre applied for is for the Middle School Examination or for the Upper Primary (Lower Secondary) Examination.
(4) Reasons urged for the transfer supported by the parent or guardian of the pupil.

*Note.*—The Secretary, Local Examinations Boards, Bangalore, may refuse to change the centre of examination if proper reasons in support of the change asked for are not furnished.

8. The fees once paid into the Treasury for admission to the Middle School or Upper Primary Examination shall, on no account, be refunded but may be reserved for the examination the following year *on grounds of illness* supported by a medical certificate by a competent authority not lower in rank than a District Medical Officer, or by a Medical Graduate countersigned by the District Medical Officer, provided that the candidate appears for the examination during the year subsequent to the one in which he has paid the fee and provided also the application for such reservation be sent so as to reach the Secretary, Local Examinations Boards, Bangalore, on or before the date of the examination.

The fee paid for a change of centre will neither be refunded nor reserved for a subsequent examination, if the change has been refused for want of proper reasons in support of the change asked for.

9. The Heads of Institutions sending up candidates for the Middle School or the Upper Primary Examination of 1937, are requested to send (*a*) a consolidated list of candidates arranged in accordance with the Optional subjects taken by them along with the applications, and (*b*) a consolidated list of candidates who are deficient in attendance calculated up to the end of February 1937, so as to reach the Secretary, Local Examinations Boards, Bangalore, *not later than the 5th March* 1937. If in any particular school no candidate requires exemption from shortage of attendance, a *nil* statement should be sent. The attention of the Heads of Institutions is invited to Inspector-General's Circular No. 36 of 1926-27, dated the 6th April 1927, according to which exemptions will be granted only in cases of short periods not exceeding 20 to 25 days. It may be noted that all candidates who take the School course, whether they are *first year pupils* or *second year pupils*, should put in the required attendance.

*N.B.*—Forms of recommendation for exemption should be applied for by the Heads of Institutions along with the requisition for forms of application for admission to the Middle School or the Upper Primary Examination of 1937.

10. The Heads of High Schools sending up candidates for the S.S.L.C. Public Examination will kindly note the following points in connection with the preparation and submission of applications for candidature :—

(*a*) Candidates should be asked to give their *correct* date of birth, *viz.*, the day, month and year, in the form of application as entered in the Admission Register of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter only the father's name in the form of application and not the guardian's name.

(*b*) The Heads of Institutions should satisfy themselves that the entries in the S.S.L.C. cards correspond with the entries in the form of application for admission to the examination in every respect and that the date of birth entered in the S.S.L.C. card corresponds with that in the Admission Register of the School.

(*c*) The Heads of High Schools should arrange the applications and the S.S.L.C. cards separately in the same order, first according to the Second Language chosen by them and secondly, in the alphabetical order under the several second languages. In no case should the applications and the S.S.L.C. cards be mixed up, as this will lead to confusion while checking the applications. The applications and S.S.L.C. cards of candidates who have been declared "Passed" in previous years should be separated from others and arranged in the same manner as noted above.

(*d*) A classified statement showing the names of candidates under "Ordinary" and "Supplementary" Certificates, the several second languages and additional subjects offered by them should accompany the applications for candidature.

11. The admission tickets of candidates who appear for the several Local Examinations of 1937 *by private study*, will be sent direct to the candidates concerned by ordinary post to the address furnished by them in their application for admission to the examination about 15 days prior to the date of the commencement of the examination to which the particular candidate has appeared. Private candidates are therefore advised to enter their postal addresses clearly in their application forms. *The Examination Office cannot undertake to note the changes in the addresses intimated after the applications are sent in.* The Examination Office will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned in consequence of the incompleteness or inaccuracy of the postal addresses furnished by them.

12. Applications for the Teachers' Certificate Examination—Secondary Grade (both Theory and Practical) from private candidates will be rejected unless they have appeared for the examination and failed at least once. But teachers in recognised schools who have put in five years' service or more and who had no chance of being deputed for training by the Department may be admitted to the examination by private study, subject to the condition that they possess the minimum general qualifications prescribed for the examination provided that applications for admission to the examination are accompanied by Certificates issued by the I. O. in direct charge of the school to the effect that the Teacher possesses the minimum general educational qualification prescribed therefor, that he has put in 5 years' approved service in recognised school, that he has been adopting approved methods of teaching in the school and that he is fit to take the examination by private study.

13. The admission of candidates to the Vernacular Teachers' Certificate Examinations, by private study, is regulated as hereinunder—

(*a*) *First Examination.*—

(1) Persons who had sat for the Lower Secondary Training Examination (one year or two years' course) under the old rules, and failed therein.

(2) Persons who had sat for the Upper Secondary Examination under the old rules and failed in one or both the groups.

(3) Teachers in recognised schools who have put in five years' service or more and who had no chance of being deputed for training by the Department may be admitted to the examination subject to the condition that they possess the minimum general qualification prescribed for the examination and subject to the production of the kind of certificate prescribed for the Teachers' Certificate Examination—Secondary grade.

(*b*) *Second Examination.*—

(1) Persons who have passed the Upper Secondary or S.S.L.C. Examination.

(2) Persons who had appeared for the first examination by private study and passed therein.

14. It should be clearly understood that the provisions in this Notification do not in any sense supersede the detailed Notifications relating to the several examinations and that the provisions in the detailed Notifications should be fully satisfied before any candidate is registered for the examination to which he seeks admission.

***Re* Account procedure in treasuries relating to Village Panchayet Fund.**

---

Government in their letter No. Fl. 8544—G. F. 308-35-1, dated 19th June 1936, (copy annexed) have ordered the accounting of Village Panchayet Fund transactions under a separate Head of Account and accordingly the following procedure is prescribed.

1. The existing Savings Bank Accounts in the names of the several Village Panchayets may be closed and the amounts at their credit transferred to a new head of account to be opened in the treasury accounts as noted below. The balances and differences, if any, between the figures in the Savings Bank Ledgers maintained in this office and in the treasuries for the several accounts, may similarly be adjusted on receipt of the Savings Bank Audited Statements for 1935–36, from this office.

*V. Local and other funds.*

14. Miscellaneous Funds.

(e) Village Panchayet Fund.

2. The detailed Savings Bank accounts which have been maintained by this office relating to the several Village Panchayets will henceforth be dispensed with and hence the detailed copies of schedules relating to these accounts need not be sent hereafter.

3. All transactions of the various Village Panchayets in the Taluk Treasuries will henceforth be shown in a subsidiary register which will be opened for the "Village Panchayet Fund" separately for receipts and expenditure respectively, and the challans and vouchers pertaining to these transactions filed along with a copy of schedule in the Taluk Office for being made available at the time of the Local Audit by the staff of this office.

4. As it is necessary however that accounts of the individual balances of the various Panchayets should be separately available, a plus and minus memorandum account for the transactions of each Village Panchayet should be maintained in a separate register as at present but not as a Savings Bank Account. A plus and minus memorandum showing the opening balance, receipts, payments and Closing Balance for each Village Panchayet should after reconciliation with the subsidiary registers be submitted every month by the Treasuries to this office, with a certificate of verification with the departmental accounts maintained in the Taluk Office.

5. Individual pass books for the transactions of each Village Panchayet which have been maintained hitherto, will be continued to be so kept by the Treasuries the words "S. B. Pass Book" being however struck off and replaced by "Village Panchayet Fund Pass Book". The Village Panchayet clerk in the Taluk Office will also prepare a consolidated statement for the whole Taluk of the above transactions according to his books and will reconcile the figures with those on the books in the Treasury on the 1st of every month and forward the same to this office with the treasury certificates before the 10th of every month for verification with the plus and minus memo received from the Treasury.

A copy of the Circular instructions you may issue in the matter for the guidance of Treasuries and departmental officers may be submitted to Government.

***Re* Account procedure in treasuries relating to Village Panchayet Fund.**

---

Government in their letter No. Fl. 8544—G. F. 308-35-1, dated 19th June 1936, (copy annexed) have ordered the accounting of Village Panchayet Fund transactions under a separate Head of Account and accordingly the following procedure is prescribed.

1. The existing Savings Bank Accounts in the names of the several Village Panchayets may be closed and the amounts at their credit transferred to a new head of account to be opened in the treasury accounts as noted below. The balances and differences, if any, between the figures in the Savings Bank Ledgers maintained in this office and in the treasuries for the several accounts, may similarly be adjusted on receipt of the Savings Bank Audited Statements for 1935–36, from this office.

*V. Local and other funds.*

14. Miscellaneous Funds.

(e) Village Panchayet Fund.

2. The detailed Savings Bank accounts which have been maintained by this office relating to the several Village Panchayets will henceforth be dispensed with and hence the detailed copies of schedules relating to these accounts need not be sent hereafter.

3. All transactions of the various Village Panchayets in the Taluk Treasuries will henceforth be shown in a subsidiary register which will be opened for the "Village Panchayet Fund" separately for receipts and expenditure respectively, and the challans and vouchers pertaining to these transactions filed along with a copy of schedule in the Taluk Office for being made available at the time of the Local Audit by the staff of this office.

4. As it is necessary however that accounts of the individual balances of the various Panchayets should be separately available, a plus and minus memorandum account for the transactions of each Village Panchayet should be maintained in a separate register as at

present but not as a Savings Bank Account. A plus and minus memorandum showing the opening balance, receipts, payments and Closing Balance for each Village Panchayet should after reconciliation with the subsidiary registers be submitted every month by the Treasuries to this office, with a certificate of verification with the departmental accounts maintained in the Taluk Office.

5. Individual pass books for the transactions of each Village Panchayet which have been maintained hitherto, will be continued to be so kept by the Treasuries the words "S. B. Pass Book" being however struck off and replaced by "Village Panchayet Fund Pass Book". The Village Panchayet clerk in the Taluk Office will also prepare a consolidated statement for the whole Taluk of the above transactions according to his books and will reconcile the figures with those on the books in the Treasury on the 1st of every month and forward the same to this office with the treasury certificates before the 10th of every month for verification with the plus and minus memo received from the Treasury.

*Circular No.* 332—*B. ii., dated 8th August* 1936.

To

The Deputy Commissioners
and all Treasury Officers.

***Re* Account procedure in treasuries relating to Village Panchayet Fund.**

Government in their letter No. Fl. 8544—G. F. 308-35-1, dated 19th June 1936, (copy annexed) have ordered the accounting of Village Panchayet Fund transactions under a separate Head of Account and accordingly the following procedure is prescribed.

1. The existing Savings Bank Accounts in the names of the several Village Panchayets may be closed and the amounts at their credit transferred to a new head of account to be opened in the treasury accounts as noted below. The balances and differences, if any, between the figures in the Savings Bank Ledgers maintained in this office and in the treasuries for the several accounts, may similarly be adjusted on receipt of the Savings Bank Audited Statements for 1935–36, from this office.

V. *Local and other funds.*

14. Miscellaneous Funds.

(e) Village Panchayet Fund.

2. The detailed Savings Bank accounts which have been maintained by this office relating to the several Village Panchayets will henceforth be dispensed with and hence the detailed copies of schedules relating to these accounts need not be sent hereafter.

3. All transactions of the various Village Panchayets in the Taluk Treasuries will henceforth be shown in a subsidiary register, which will be opened for the "Village Panchayet Fund", separately for receipts and expenditure respectively, and the challans and vouchers pertaining to these transactions filed along with a copy of schedule in the Taluk Office for being made available at the time of the Local Audit by the staff of this office.

4. As it is necessary however that accounts of the individual balances of the various Panchayets should be separately available, a plus and minus memorandum account for the transactions of each Village Panchayet should be maintained in a separate register as at present but not as a Savings Bank Account. A plus and minus memorandum showing the opening balance, receipts, payments and Closing Balance for each Village Panchayet should after reconciliation with the subsidiary registers be submitted every month by the Treasuries to this office, with a certificate of verification with the departmental accounts maintained in the Taluk Office.

5. Individual pass books for the transactions of each Village Panchayet which have been maintained hitherto, will be continued to be so kept by the Treasuries the words "S. B. Pass Book" being however struck off and replaced by "Village Panchayet Fund Pass Book". The Village Panchayet clerk in the Taluk Office will also prepare a consolidated statement for the whole Taluk of the above transactions according to his books and will reconcile the figures with those on the books in the Treasury on the 1st of every month and forward the same to this office with the treasury certificates before the 10th of every month for verification with the plus and minus memo received from the Treasury.

A. N. RAGHAVACHAR,
*Comptroller.*

*Letter No. Fl.* 8544—*G. F.* 308-35-1, *dated* 19*th June* 1936, *from the Financial Secretary to Government, to the Comptroller in Mysore, Bangalore.*

I am directed to state that the transactions of the Village Panchayets, which now appear under "Savings Bank Deposits" in the Treasury accounts, may be shown under a separate head "Village Panchayet Fund" from 1936-37, detailed accounts and pass books being maintained as hitherto, and to request you to take necessary action in the matter. A copy of the Circular instructions you may issue in the matter for the guidance of Treasuries and departmental officers may be submitted to Government.

## DEPARTMENT OF MINES AND EXPLOSIVES.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

*Notification No.* 763, *dated, Oorgaum, 5th October* 1936.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the Local Police Authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited within the Mysore State the manufacture, possession and importation of any explosive consisting of containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly knows as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of Potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮೊಣಸಿಲೆ, ಹರಿದಳ) or sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any persons manufacturing, possessing or importing such a mixture will be punished according to Law.

*Chief Inspector of Mines and*

## DEPARTMENT OF MINES AND EXPLOSIVES.

### OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

*Notification No.* 763, *dated, Oorgaum, 5th October* 1936.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the Local Police Authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited within the Mysore State the manufacture, possession and importation of any explosive consisting of containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly knows as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of Potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮಣಿಸಿ, ಹರಿದಳ) or sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force [illegible] and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any persons manufacturing, possessing or importing such a mixture will be punished according to Law.

C. E. SURYANARAYANA RAO,

## DEPARTMENT OF MINES AND EXPLOSIVES.

### OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

*Notification No.* 763, *dated, Oorgaum, 5th October* 1936.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the Local Police Authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited within the Mysore State the manufacture, possession and importation of any explosive consisting of containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly knows as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of Potassium chlorate (ಪೊಟಾಸ್.ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮೊಣಸಿಲೆ, ಹರಿದಳ) or sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any persons manufacturing, possessing or importing such a mixture will be punished according to Law.

Indents received on and after the 26th of the month will be attended to on the 1st of the following month, on account of the test checking of stock during the interval. **Indents for books less than Rs. 40 in value will not be complied with as the same cannot be sent by railway goods, unless the Agent wants them to be sent by post or railway Parcel, in which case the Agent should meet the forwarding charges.**

11. The Agent shall pay at or before the end of each month all money received by him in the course of the Agency business into the.....Treasury, to the credit of the Principal after deducting the commission payable to him as hereinbefore mentioned. The treasury receipts for such payments shall be forwarded before the 5th of the month following, to the Superintendent, Government Central Book Depot, Bangalore, with a statement of cash and sale accounts of the previous month as per form to be obtained from the Depot. 13. This Agency shall, *ipso facto*, determine (save as far as concerns the rights and remedies of the Principal) upon the commission by the Agent of any grave irregularity or fraud on the Principal in connection herewith, or upon his failing to carry on any stipulation contained in this Agreement, and in the case of breach or non-performance or of neglect to observe the same, the Agent shall forfeit to the Principal, the whole of his security deposit or such portion thereof as may be deemed necessary in his discretion owing to the inconvenience caused to the public

14. Either of the parties hereto may give to the other, three calendar months' notice in writing of his intention to determine this Agreement and on the expiration of such period, this Agreement shall be wholly determined. In case the Principal is satisfied that the closure of the Agency, on the Agent's application in the middle of the year or his inactivity preceding his desire to terminate it, is likely to cause serious inconvenience to the purchasing public, he may levy from the Agent a fine not exceeding Rs. 50.

15 At the termination of the contract, the Agent shall return the unsold books in good saleable condition and without contravening any clause of the Agreement, to the Government Central Book Depot along with the closing accounts and a treasury receipt for the sales so far effected. **If the accounts are not finally settled within 30 days from the date of termination of the contract, interest at 6¼ per cent will be charged on the amount due by the Agent to the Government Central Book Depot.**

**Subject.—Payment of Public Works Bills.**

To

All Treasury Officers, and Executive Engineers.

Government having ordered in their No. Fl. 2541-53—G. F. 55-35-2, dated the 10th—13th October 1936, the adoption of the undermentioned precedure in respect of the payment of the work bills of contractors in the Public Works Department, for a period of two years the following subsidiary instructions are issued for adoption from 1st January 1937 :—

1. Handing only pass orders to the contractors.
2. Sending advices of the issue of pass orders to the Treasuries with the contractors' bills and verification by the Treasury of the pass orders with the advices and bills of contractors.

1. Only Pass order drawn by the Executive Engineer, or other officers authorised to do so, in accordance with instructions laid down in Para 329 of M. P, W. A. Code, will be made over to the party concerned for presentation at the Treasury, and the passed original bills should not be attached to it as hitherto but should be attached to the advice.

2. Advice of the issue of pass orders should be simultaneously sent direct to the Treasury Officers concerned by the Executive Engineer in the form annexed in future on the day of issue to avoid inconvenience to the contractors in receiving payments at Treasuries.

3. The original passed bills should be attached to the above advice and sent to the Treasury Officer by local delivery if he is at the Headquarters of the officer issuing the pass order or by registered post in the case of a moffusil Treasury, so as to ensure that the contractors or other interested parties may not have any access to the passed bills.

4. When the pass order is presented for encashment, the Treasury Officer should in addition to the scrutiny exercised by him as required in Article 483 of M. A. C., Vol. II verify the contractors' signature with that of original bills and pass order amounts with those in advices before encashment. After a pass order is paid the original bills should be attached to the pass order relating thereto in the Treasury and despatched along with the copy of the subsidiary register to the Audit Office along with bi-monthly lists of payments as bitherto.

5. The payments on pass orders and permanent advance recoupment bills should as usual be recorded in a pass book as per Article 487 of M. A. Code, Vol. II. In addition, the Treasury Officer should furnish the Executive Engineer monthly with a statement of uncashed bills in the form annexed on or before the 10th of each month. The Executive Engineer should verify and prepare the list of unpaid bills in the usual form (*vide* Para 336, P. W. A. Code) and attach thereto the Treasury Officer's statement and send the same to this office with necessary remarks for differences, if any.

6. The advice lists received from the Executive Engineer with the passed bills must be opened in the presence of the Treasury Officer and each dated and initialled by him. They should be kept in guard files under lock and key and necessary scrutiny exercised as in the case of supply bills before encashment. A Register of advices received may be kept for each Division in the Treasury for easy identification of the pass order and bills relating thereto.
